## PROLOGUE

We shall never forget our delight when we first saw Dwight Morrow's majestic tower rising over tall, slender trees, rolling green lawns, and the twisting brook. As we have spent many unforgettable hours in the shadow of the guardian tower, the four spires have come to mean to us ideals — friendship, fellowship, scholarship, and leadership.

Friendship began growing as we met our classmates for the first time; friendship expanded until it became as strong as the mighty sycamores, oaks, and elms that graced the lawn.

Each victory won by our athletic teams strengthened the bonds of fellowship, already a tradition at Dwight Morrow.

The third spire, scholarship, represents that which all Dwight Morrow students admire and strive to attain.

The last spire represents the fine leadership of those who have guided us through the past three years and who have helped to make them memorable.

As we graduate, we pray that these ideals — friendship, fellowship, scholarship, and leadership — may be ours as long as we shall live.

MRS. BETTY DAVIES

WE GRATEFULLY DEDICATE  
THE 1957 ENGLE LOG  
TO YOU  
MRS. BETTY DAVIES

*For your lessons wrought of merit,  
Blended with humor of a friend,  
For your never-failing spirit  
That pushed us forth at every bend,  
For youthful notions, heartening deeds  
That inspired us and met our treasury needs . . .  
For gradual warning of hazards ahead  
And that inimitable way you led . . .  
Our hearts in thankfulness will  
Always remember you!*

The newly formed German Club is one of the most active and enterprising clubs in the school.

The members' purpose is to learn more about German culture, to practice conversational German, and to meet socially in a group.

At Christmastime the club held a Weihnachtsfest in the Rathskeller (otherwise known as the DM underground), complete with German decorations and a Schnitzelbank.

During the year they took a trip to a German movie and restaurant, presented a play, corresponded with German students and had many happy song-fests.

Weekly minutes of S.O. meetings and the revised Constitution were distributed to inform the student body.

Social functions—the new Victory Dances, the Post-Game Rallies, the Fall Mixer-Teen Canteen—increased school spirit.

A survey of the student body was taken to determine the need for Student Guides and a code of ethics.

Selling sweatshirts in the fall was the first project of the Girls' Leaders Club this year.

In November GLC entertained its new members at a tea in the cafeteria.

Represented on the Executive Board of the Bergen County Sports Council, GLC took part in many play-days and attended the BCSC forum in May.

Throughout the year the club sponsored many after-school sports activities and tried to promote interest at DM in girls' sports.

AND WE THOUGHT THE BOYS WERE TOUGH!

# FOOTBALL

Graduation of nine starters and five regular substitutes will seriously dent the 1957 Maroon Raider football squad. The loss of Mike McAleer, Ken Potente, Jerry Golden, Charlie Martin, Bob Cooke, Lud Goetz, and Mike Haney will mean the formation of a brand new line next September.

Backs Fred Bischoff and Paul Patti are also leaving, as are subs Jock Williams, Bob Pecoraro, Paul Little, Ray Osborne, and Richard Henningsen. Co-captain Goetz earned all-state honorable mention, and Golden, Cooke, and Haney received all county honors. McAleer got all-area mention
